NHS basketball season wrap-up

By John Middlebrook

The 1989-90 Basketball season for both the girls and the boys officially came to a close on Monday (3/26) as the basketball boosters hosted their annual awards program.

Held in the high school cafeteria, this fine program is a culmination of the activities sponsored by the Basketball Booster Club. It is a means for which the young ladies and young men who participated in the basketball program can be publically recognized and thanked for their hard work and dedication. It is also an appropriate vehicle in which the booster club can award their players for their efforts during the past campaign.

We start first with the young ladies who participated on the Varsity Girls Basketball Team. The Lady Tiger Bears fine group of seniors led the award parade, as they also led their team to a respectable 14-11 season. The girls also posted the first-ever playoff victory in the history of Northern Girls Basketball. The results award winners for the 1989-90 season were:

Leading Rebounder: Nancy Jacobs-241 total/6.6 per game
Most Improved: Kay Kulik
Most Hustle: Becky Minnich
Sportsmanship Award: Kelly Gordon
Defensive Player Award: Amy Minnich

Northern's very talented junior center/forward Gretchen Klaus picked up two individual awards to cap a very productive season. First off, Gretchen gained the award as the best free throw shooter (113 attempts/74 made/65.4 pct. and she was named as her team's most valuable player. Gretchen closed out the season with 382 points, good for a 15.2 average.

With the loss of Gretchen, along with Traci Shoman, Tanya Miller, Sarah Fridhess, Jennifer McMitch, Stacey Trapp, and Rebecca Pick, the future for the Lady Bears is very promising. Still, it will be a different season and the five seniors who will be leaving will be sorely missed. to Kelly Kay Nutter, Becky Minnich, Amy our congratulations for a job well done and best wishes for your future endeavors.

For the Northern boys, 1989-90 was certainly a learning experience, with positive signs that the nine couple of years should be a complete turnaround from 1988-89. This year's squad under second year coach Tom Burkhouser showed real class, and opened up some eyes featuring the three "trees" Juniors Joe Fox and Bart Mahring along with Sophomore sensation Chris Flohr. With these three as a nucleus along with Andy Spicher and Greg Jamouneau plus an overall improved program, Northern should make a mark in basketball circles.

The award winners for the boys varsity squad in 1989-90 were:

Outstanding Defense: Joe Fox
Most Improved: Len Fortance
Most Coachable: Charlie Jones
Assist Leader: Andy Spicher
Rebound Leader: Chris Flohr

Our congratulations to all the varsity members for a job well done.

To the many young men and young ladies who made up the Junior Varsity squad as well as the squads from the middle school thanks for your efforts in improving the Northern High School Basketball Program.
